

University of Toronto

Full Professor – Macroeconomics

The Department of Economics at the **University of Toronto St. George campus** invites applications for a tenured appointment in **Macroeconomics** at the rank of **Full Professor**. The appointment will be effective July 1, 2015.

The successful candidate must have a proven record of excellence in research and teaching in macroeconomics and have earned a PhD or equivalent. Preference will be given to candidates with expertise in quantitative theory, heterogeneous agents models and computational methods. The senior candidate should also possess central bank experience and a significant record of Ph.D. supervision. Duties include undergraduate and graduate teaching and research.

Salary will be commensurate with qualifications and experience.

Applications should be submitted online at www.economics.utoronto.ca/apply (do not click on 'apply online' button below). A completed application will include a curriculum vita, one or more working papers, three letters of reference and a teaching dossier (including a statement of teaching philosophy and the results of teaching evaluations or equivalent evidence). The deadline for applications is **November 30, 2014**. Please note that paper applications will not be accepted. If you have questions about this position please contact Professor Victor Aguirregabiria at recruiting@economics.utoronto.ca
