

Global Poverty Has No Solution...

And It's Called Democracy

WILLIAM EASTERLY

Tuesday February 23, 2010

4pm-6pm, Hoskin Avenue, Seeley Hall, Trinity College, University of Toronto

THE PAUL CADARIO VISITING FACULTY LECTURE

The School of Public Policy and Governance and the Department of Economics are proud to present the Paul Cadario Visiting Faculty Lecture with Professor William Easterly of the Department of Economics at New York University.

Professor Easterly is author of The White Man's Burden: How the West's Efforts to Aid the Rest Have Done So Much Ill and So Little Good and The Elusive Quest for Growth: Economists' Adventures and Misadventures in the Tropics, as well as three co-edited books and over fifty refereed articles in economics journals.
