

## HOW TO ORDER AN IBM PERSONAL COMPUTER

The Columbia University Center for Computing Activities (CUCCA) has arranged with IBM to purchase its personal computers at a discount. Departments, schools, faculty members, matriculated students, full time research and administrative staff of Columbia and its affiliated institutions are eligible. Designated affiliates are Teacher's College, Barnard, Union Theological Seminary, Jewish Theological Seminary and Presbyterian, St. Luke's, Harlem, Roosevelt, Summit and Bassett Hospitals. Evidence of eligibility will be required. A discount of approximately 24% applies to all IBM components on this list.

To order a system, fill in the information below, and on the following sheets indicate your selection to the left of each item. Individuals are generally allowed one system model per vendor. Departmental requests are evaluated on a case by case basis. Systems must be for the use of the buyer and not to be resold to individuals not on the eligibility list. Please provide a completed Purchase Requisition with an account number to bill if being purchased by a department. CU requisitions must have signature(s) that appear on the Departmental Authorization Form. Individual purchases are subject to 8 1/4% New York City sales tax. In all cases, the purchaser will be charged for shipping and insurance costs.

All IBM hardware is covered by a 90 day warranty. The warranty begins at the date of delivery to your location. IBM offers four different types of service and it is recommended that the machines be put on service before the warranty expires. It is the owner's responsibility to arrange for service. Consultation is available by completion of a User Questionnaire which can be obtained at the following locations or by calling extension 4859.

SSIO, Room 115 Computer Center  
Watson Building, 612 West 115 Street  
Carman, Terminal Room  
East Campus, terminal Room

Butler Library Terminal Room  
Mudd, Room 272A  
Health Sciences Divisions,  
Black Building 2-239  
Lamont-Doherty Geological Obs.,  
Purchasing Dept.
