Term Test:
Location, Material and Format

Location: The Term Test will be written on Friday, October 18 from 1:00 to 2:30 PM in room EX 300 (Exam Centre).

Material: The material for the Test will cover Lectures 1 to 6.

Format: You will be given 90 minutes to critically comment on four statements where at least three of them will be taken from the list of 10 statements provided in class on **October 3**.

It will be a Crowdmark test and you must write your critical comments clearly and concisely in the space (2 pages) provided immediately after each statement. **Your entire comment must fit in the designated space.** No extra space/pages are possible and you cannot use blank space for other questions.

It is best to write in PENCIL and use an ERASER as needed. This way you can make sure to fit your final answer in the appropriate space.

Please write legibly. If I can't read your handwriting, I can't award you any marks!

No **aids** will be allowed. You must bring your **student card** with you to the examination room.
