You must bring your **student card** with you to the examination room. The **only** aid allowed will be a simple, **non-programmable** calculator.

The material for Test 2 will cover Lectures 4 to 9. Case Studies No. 2 to 4 and the posted economic news since Oct. 26 will also be part of the material for the test.

The test will consist of 14 multiple choice questions, 1 quantitative problem, and 4 short-answer questions.

Students with a time conflict will be allowed to write the test at an alternate time to be announced. In such cases, students must submit evidence—e.g., an electronic copy of their course schedule as posted on ROSI/ACORN—by **December 6** at the latest.
