I will provide a package of notes at the beginning of the term at cost (@\$3).

The final exam is a combination of short-answer and essay type questions with some choice in questions answered..

The 15 page essay (i.e., 15 double space pages with normal margins and 12 point type, not including bibliography) will analyze primary and secondary sources specified by me on an aspect of the theories of one of the authors discussed in the course. I will only accept late essays during lectures and there are no extensions. The penalty for lateness is 5% (or 1.5 of 30%) on June 16 and 10% (or 3 of 30%) . Late ssays are not eligible for remarking. All students must hand in two copies of the essay. You must also be prepared to give me a digital copy for submission to Turnitin upon my request.

Presentation marks are given for a 1 page review (12 point, double-spaced, normal margins given to me before the presentation or there is a 1 mark deduction off the top), presentation (@ 5 minutes), and discussion of designated pages from an author during one seminar period for a potential 10 marks and **the right to get one participation mark for a comment or question per seminar** (which take place between 1:10 and 2:00 PM in the classroom prior to the lecture) up to a maximum of 10 marks for 10 seminars. Students will sign up for their presentation day in the first class. If you miss your presentation, you must provide documentation of a legitimate reason, submit your original presentation, and do a replacement presentation that I will assign.
