

ECONOMICS 2700F
ECONOMIC DEVELOPMENT I
2010

A. Berry
Room 354S Munk Centre,
1 Devonshire Place
416-946-8932
berry2@chass.utoronto.ca

Office Hours:
Tues. 2-3 and 5-6

COURSE OUTLINE

This course is a broad survey of the field of development economics with attention to general theories of development, key sectors such as agriculture and industry, mechanisms such as financial transfer and technological change, and worries such as the environmental costs of development. PhD students wishing to take field comprehensives in development are encouraged also to take ECO2701H and 2703H.

TEXTS

There are no required texts for the course. A xeroxed package of most of the starred readings will be available at cost. Others will be circulated by email.

GRADES

Final exam	December exam period at a time to be scheduled (60%).
Paper	Due January 4 (40%)

Papers received after 5 pm Jan 4 will receive a penalty of half a grade for lateness. Papers will not be accepted (except in very special circumstances) after Feb 12.

USEFUL BACKGROUND READING AND TEXTBOOKS

H. B. Chenery and T. N. Srinivasan (eds), Handbook of Development Economics, Volumes I and II, North-Holland, 1988, 1989

J. Behrman and T. N. Srinivasan (eds), Handbook of Development Economics, Volumes III A and B, 1995.

T. Paul Schultz and John Strauss (editors) Handbook of Development Economics, Volume 4, 2008

Dani Rodrik and Mark Rosenzweig (editors) Handbook of Development Economics, Volume 5, 2010

Amitava Krishna Dutt and Jaime Ros (editors) International Handbook of Development Economics. Edward Elgar (2008), Volumes 1 and 2.

Malcolm Gillis, Dwight H. Perkins, Michael Roemer and Donald Snodgrass, (latest edition), Economics of Development, W. W. Norton.

Michael P. Todaro, Economic Development in the Third World (latest edition), Longman.

Gerald Meier, Leading Issues in Development Economics (latest edition), Oxford University Press.

Robert Barro and Xavier Sal-I-Martin (2004) Economic Growth (2nd edition) MIT Press.

William Easterly (2002) The Elusive Quest for Growth: Economist's Adventures and Misadventures in the Tropics. M.I.T. Press.
